Delivering Good calls for donations to help victims of hurricanes Harvey and Irma

KIDS FASHION DELIVERS
HELPING KIDS AND FAMILIES

Dear Industry Friends,

Since 1985, Delivering Good Foundation U.S.A., a fashion-focused global organization, has been a leading force in mobilizing new product donations from hundreds of companies large and small, bringing hope, dignity and self-esteem to people impaired by poverty and tragedy.

In the past two weeks, hurricanes Harvey and Irma have devastated homes, marinas, the beaches, the shore and the canyons. As a result of these disasters, thousands of families have been forced from their homes, and over half a million people are seeking food and relief.

During the last several days alone, more than 100 companies have come forward to contribute new adult and children’s clothing, food, home furnishings, and other basic necessities for hurricane victims. Delivering Good’s experienced staff is working round-the-clock with our retail partners across the U.S. to get these goods to those who need them in the hardest hit communities, but more help is essential.

Please join us in donating product and financial support today at http://www.deliveringgood.org/deliveraid and follow Delivering Good on Twitter, Facebook, and LinkedIn. You can also call us at 928-720-9908 or 312-237-6520.

You can be confident in our staff’s experience in working with over 100 retail community partners to get donations efficiently and effectively to those in need.

Every cent and dollar you give will help to rebuild lives.

Our hearts go out to the many victims of these storms – including the friends, families, employees and associates of many in the fashion, home, and children’s communities. Thank you for your support at this time and throughout the year.
