

**Josh Kadden**  
**Senior Account Executive**  
**INTURN**

Josh Kadden helps lead Business Development at INTURN, a global B2B platform innovating the way brands and retailers buy and sell off-price inventory. Josh focuses on bringing large brands onto the platform, helping them to streamline their disposition process.

Prior to INTURN, Kadden was co-founder of PerGO Rides, a B2B dispatch software company that enabled local transportation fleets to modernize and compete with ride-share companies. Josh currently serves on the Alumni Council for the Michigan Sport Business Conference (MSBC), which over the past eight years has become a nationally-recognized event as mentioned in Forbes, Sports Business Journal, and Crain's Detroit Business.
