

Thank you for your interest in joining our donor network! We are excited to work with you to improve the lives of adults, children and families. Please contact Merrie Keller, Director of Product Procurement for more information about any of our services (merrie@delivering-good.org). For research and validation purposes, our Federal EIN# is 13-3300271. Visit www.Delivering-Good.org for more information about our work.

Product donations

Our service-oriented team will help you turn excess product into a way to help your community. Depending on a company's corporate structure, the tax benefit of donating excess inventory can be very advantageous, while also making a difference for people in need. Consult your tax advisor to determine if your donation qualifies for a tax deduction.

- **Product donation management** – We accept donations of all sizes, and will work with our network of community partners to ensure it ends up where it's needed most. *We ask that our donors cover the cost of freight for their donation. If this is not feasible, fees of \$500-1,000 per donation, regardless of size, will apply*
- **Donor-recommended donation management** – are there locations or community partners you want to recommend for your donation? We can work with you to design a comprehensive program that meets your philanthropic goals. *Fees based on program size.*
- **Brand equity preservation** – We ask that our donors detag and delabel product themselves. If this is not feasible, we can arrange to help you with these services, in tandem with our community partners, ensuring brand integrity. *Fee charged per unit, contact us for more information.*

Communications and Customer-facing campaigns

Consumers favor companies that give back. Let your customers contribute to your corporate social responsibility causes through a campaign with Delivering Good. *Minimum required financial donation of \$25,000 - 100,000 depending on program type and size.*

- **At checkout** - In-store and online, let your customers participate in your partnership with Delivering Good by donating at checkout
- **Capsule collections** – Offer a capsule collection with a portion of proceeds donated
- **In-store product collection drives** – run a drive for new coats, toys, or other essential products in your stores. We will coordinate with local community partners to pick up product directly from stores.
- **Purpose Marketing** – Ensure customers know that your brand is making a difference. We can partner with you to create impactful national, regional, or local campaigns.

Cash donations and other financial support

- Monetary donations help pay the operating costs for programs, logistics, coordination, and freight so that new product reaches the people who need it most.
